Diligent, Knowledgeable, and Got My Condo Sold Fast

Eric was excellent to work with from start to finish. He was diligent, knowledgeable, responsive, and stayed on top of every detail throughout the sale of my condo and the process of moving toward my next home purchase. What impressed me most was the result: my condo sold in just 9 days, while many comparable condos in the area had been sitting on the market for 60+ days. Eric clearly understood the market, how to position the property, and how to keep the transaction moving. In the end, I felt well-represented and confident that Eric was looking out for me. I would absolutely recommend him to anyone looking for a realtor who is experienced, thorough, and gets results.
